

The Alpine Montessori School

Parent Commitment Policy

The Alpine Montessori school is a wonderful environment in which children can succeed because of its parents and community support. We could not be the outstanding school that we are without your involvement in the school's activities. We encourage you to give generously of your time and talents in support of the many things that keep our program outstanding.

In addition to your involvement in the school's activities, parents make the following commitment to their child and to the school:

1. Ensure their child attends school on a regular basis.
2. Ensure their child arrives at school no later than 8:15 AM daily.
3. Attend the Parent Orientation Meeting held the first week of school.
4. Participate in Parent-Teacher conferences.
5. Participate in volunteer activities.
6. Abide by the school policies and procedures as outlined in the *Parent Handbook*.

Because parent involvement and commitment is crucial to the success of your child and our school, this commitment is required for all families. **I have read the parent commitment policy and agree to make this commitment to my child and to the Alpine Montessori School.**
